Hello LaTonya,

Thank you so much for organizing this briefing. Per the request of the Congressman's Chief of Staff, I have invited three other groups to the phone conference on Monday. The groups are the Missouri Attorney General's Office, the Missouri DNR Solid Waste Division, and the Missouri Coalition for the Environment. So far Kat Logan-Smith from MCE has agreed to be on the call. I will let you know if I hear from the other two groups also.

The second issue is that the briefing should just focus on EPA community coordinated response efforts to the Bridgeton Landfill fire, and how it relates to the two EPA Superfund sites. Thanks again. Please let me know if you have any questions.

Sincerely,

Pauline Jamry
